Guide Note 1 contains guidance on curriculum content for the core pre-licensing courses.

Guide Note 10 provides the required content for the college-level education requirements for the certified residential classification.

¹ Hours required include completion of the *15-hour National USPAP Course* (or its equivalent).

² In addition to completing the 75 hours of prelicensing education, applicants for trainee registration must take the Supervisor/Trainee course. Either the four or seven hour course is acceptable. The course must be taken from a Board approved sponsor.

³ College-level courses and degrees must be obtained from an accredited college or university.
