

## **Periodic Review of Existing Rules**

During its 2013 legislative session, the North Carolina General Assembly enacted N.C. Session Law 2013-413, which created N.C.G.S. § 150B-21.3A, captioned “Periodic Review and Expiration of Existing Rules”. This law requires all state agencies and commissions to review all of their existing rules at least once every 10 years. “Existing rules” are those that are currently in effect. A rule adopted after that date is not considered in this process.

Pursuant to this law, the Appraisal Board has made a preliminary review of its existing rules to make a determination whether each rule is:

- “Necessary” meaning that the agency has determined that the rule is needed.
- “Unnecessary” meaning that the agency has determined that the rule is obsolete, redundant or otherwise not needed.

The results of the Board’s initial review are listed in a separate document and have been posted online. They can be viewed at [www.ncappraisalboard.org](http://www.ncappraisalboard.org) and at the NC Office of Administrative Hearings website at <https://www.oah.nc.gov/rules-division/periodic-review-and-expiration-existing-rules/reports-agencies-pending-rrc-review>. The Board hereby invites and encourages you to review and comment on the existing rules and the results of the Board’s preliminary review. You may send your comments to:

When commenting on the rule, please specify the number and title of the rule. The Board will not send responses to each commenter; however, a response will be sent to the Rules Review Commission with the final report. Written comments will be accepted until October 21, 2025. The law requires that a comment must address the content of the rule in question to be considered by the Rules Review Commission.

“Public comment” is defined by G.S. 150B-21.3A(a)(5) as a written objection to all or part of a rule. Additionally, pursuant to G.S. 150B-21.3A(c)(2), in order for the Rules Review Commission to determine whether the public comment has merit, the public comment must address the specific substance of the rule and address any of the standards of Commission review, as set forth in G.S. 150B-21.9(a).

Comments submitted to the Board are public record and may be disclosed to parties requesting such records, including any identifiable information provided.
